Dear Sir:

Your letter of July 12th was received in my absence, or it would have been answered sooner.

I am sending you, under separate cover, a copy of the Constitution and By-Laws of the Society, which will give you the necessary information regarding membership.

As our limit of membership is now full, we are electing only associate members, and should you desire to become an associate member I will take pleasure in presenting your application to the Council at its next meeting, which will be held some time in the early fall.

Of course you will understand that the Council, before passing favorably upon the applications for membership, desires to have some idea of the standing of the applicants.

Should you desire any further information kindly advise me.

Very truly yours,
